*Birth & Beyond: Advocates for Woman Centered Healthcare* is excited to be producing the nationally acclaimed theater production of BIRTH, a play by Karen Brody. Cincinnati's premiere performance joins 14 other cities in the US, Canada and France in BOLD's ([www.boldaction.org](http://www.boldaction.org)) third year of a global effort to raise awareness through the arts in order to promote mother-friendly maternity care. We encourage you to be part of this movement by advertising in our program. Programs will be distributed at each of the 3 performances and reach approximately 300 theater-goers, women and men of all ages. BIRTH shows locally at The Know Theatre downtown over Labor Day weekend, August 29, 30 and 31.
